The screenshot shows the PyCharm IDE interface. The left sidebar displays the project structure with 'University' and 'Scratches and Consoles'. The main editor window shows the 'README.txt' file. The status bar at the bottom indicates the file is at line 11, column 1, with CRLF line endings, UTF-8 encoding, and 4 spaces. The terminal output at the bottom shows the command 'git rebase' and its output.

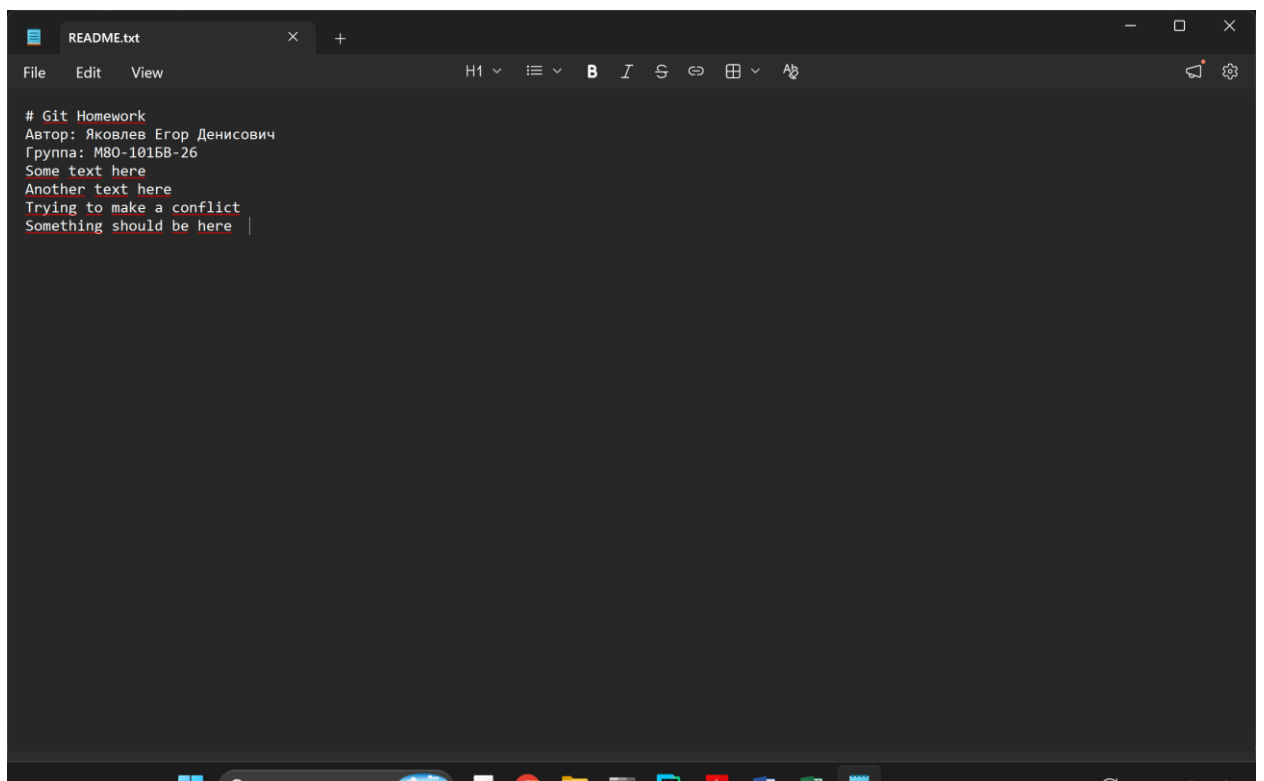

```

The screenshot shows the PyCharm IDE interface after a rebase operation. The 'README.txt' file now contains 7 lines of text. The commit message has been removed. The status bar at the bottom indicates the file is at line 7, column 1, with CRLF line endings, UTF-8 encoding, and 4 spaces. The terminal output at the bottom shows the command 'git rebase' and its output.

Решение конфликта в IDE при rebase.
